Appendix 5: List of Consultants

The ILC engages consultants on the same basis as it procures all goods and services.

During the year, the ILC continued to contract a number of consultants for the performance of specialist professional services and where the ILC requires independent review or evaluation. Additionally, the ILC acquired the services of a number of consultants to assist with in the development of two sites in Redfern, NSW, being the National Indigenous Development Centre and the Black Theatre Site. The total spend on consultants (GST exclusive) was:

Administration	\$0.5m
Land Acquisition and Land Management functions	\$0.8m
Property development in Redfern	\$1.3m
Total	\$2.6m

During 2006–2007, 90 new consultancy contracts were entered into involving total actual expenditure of \$1,095,309. In addition, 48 ongoing consultancy contracts were active during 2006–2007 year, involving actual expenditure of \$1,524,453.

Below is a list of all consultancies used in 2006–2007 to the value of \$10,000 (GST exclusive) or more.

Selection Process

Open Tender: A procurement process in which a request for tender is published inviting all businesses that satisfy the conditions for participation to submit tenders.

Select Tender: A procurement process in which the Corporation selects which potential suppliers are invited to submit tenders.

Direct Sourcing: A procurement process in which the Corporation may contact one or more suppliers of its choice in accordance with the Corporations purchasing processes.

Panel: An arrangement under which a number of suppliers are selected through a single procurement and evaluation process.

Justification for decision to use consultancy

A – skills currently unavailable within agency

B – need for specialised or professional skills

C – need for independent research or assessment
